**Walk On: the Story of Rosa Parks**  
Tuesday, Jan. 22, 2013  
10:00 am and 1 pm  
Grades 3-8 $5.00

While the rhythms of rock and roll were shaking the social fabric of the country, an even more important transformation was about to take place. In Montgomery, Alabama, a determined activist named Rosa Parks refused to give up her seat on a city bus. The resulting uproar launched the Civil Rights movement and changed our country forever. *Walk On* tells the story of Parks’ famous decision to “sit down and be counted.”

A great lead-in to the 50th anniversary of the March On Washington.

An opportunity to introduce your students to an entertaining and sensitive vision of what it is to be human; the Cashore Marionettes will portray scenes from everyday life set to stunning music by composers such as Vivaldi, Strauss and Beethoven. Using virtuoso manipulation, theatrical illusion and artistic insight, *Simple Gifts* will engage your students through vignettes that explore a range of emotions in the characters. The marionettes are engineering marvels and the quality of movement is extraordinary. Much more than a puppet show – this is also a show about life.

Encourage your students’ imaginations and creativity and let them consider what they might do! Be introduced to a whole new form of theatre, the Live-Action Graphic Novel. Mixing radio plays and comics, the creators have taken the artwork from an original comic-book story, removed the word balloons, and then will project that art panel-by-panel on our video screen while three actors voice all the characters, one performer creates all the sound-effects, and a keyboardist performs the score. LIVE!
